Helps to Benefit

The Dyslexia Learning Center of Lancaster.

HELP MASONS, HELP OTHERS.

The 32nd Masonic Learning Centers for Children provide clinically proven dyslexia tutoring services across the country. They are the only nationwide organization offering two years of intensive one-on-one tutoring in the proven Orton-Gillingham method, completely free of charge. The Learning Centers are open to all children.

No other organization in the nation has a program remotely like it, with one-on-one professional tutoring offered to children at no charge to them or their families. This type of program is not available through any other school (public or private).

The Masonic Lodge General Charity Fund annually donates approximately \$10,000 to various Masonic and Non-Masonic Charities. The proceeds from this event ensure that the Charity Fund remains, regardless of the economic climate we currently face now or in the future.
