## Bridging the Gap Dinner

42nd Masonic District

There are lines separating our counties but as Masons there are no lines or boundaries that separate us. We are all Brothers. Enjoy an evening of fellowship from the patio of John Wright Restaurant looking East toward the Susquehanna river and a delicious meal followed by announcing raffle winners. All while be entertained with live jazz music.

*Sincerely and Fraternally Brother Gregory Moore*

Ed Note: This inter-district dinner and eve of fellowship based on an allotment of attendance per Lodge per District is a unique effort of Masonic Fundraising. Riverside Lodge will be celebrating its' 150th year anniversary in four years. With all the "purple" around, it is known that there needs to be a lot of "green" in the till.

It is hoped that there will be Brethren from all twenty lodges in the districts. The allotment system goes something like this: Reservations: Initially 90 Seats per district { Masons & Better Halves } Allotment of 9 seats per lodge per district. After 1 March 2018 tickets are available on a first come bases throughout the entire 1st and 42nd districts until maximum available seats are filled. Contact Bro. Moore to verify seating availability, then make checks payable to: "Riverside Lodge # 503" and Bridging the Gap Dinner on memo line and send to : Gregory Moore

242 Walnut Street
